Re: Gotwald v. Mazick, 08-civ-6707

MEMO ENDORSED

Dear Judge Berman:

We are counsel for defendants in the above-captioned action. We are writing with the consent of counsel for plaintiffs to request a brief adjournment (to either Monday September 8 or Tuesday September 9, 2008) of the initial pretrial conference in this case to permit the parties to meet and confer concerning the case management plan and settlement. Due to holiday schedules, we have not been able to discuss these issues.

I have been granted one-time-only leave to send this request by fax. I also apologize for not making this request within 48 hours of the scheduled date – the fault is entirely mine, as I was out of cell phone or email range last week and therefore did not read the email from plaintiff's counsel suggestion a brief adjournment until my return after Labor Day.

Pursuant to your rule 1(E):

- (1) the original conference date is tomorrow, September 3, 2008;
- (2) There have been no prior requests for adjournment or extension;
- (3) Counsel for plaintiff consents to this request.

Very respectfully,

Philip Schatz
